

## **Touro College Research Council Faculty Research Training Subcommittee**

### Mission:

- Explore options and models for relevant training programs in areas related to faculty research, such as statistical analysis, quantitative research design, the grantsmanship process, etc.
- Develop and implement pilot programs in such areas using a variety of formats, including webinars, brown-bag lunch discussions, onsite workshops, etc.
- Based upon pilot program outcomes and an updated needs assessment, propose a set of core and optional program offerings for Touro College faculty.

### Members – 2015-2016:

Robert Fardon, Ph.D. (Co-Chair)

Science Coordinator and Professor of Physics New York School of Career and Applied Studies

(212) 463-0400 x5261
